Electric Water Cure. The undersigned has taken the large House on the hill in South Nashville, at the head of Front reet, known as the Rutledge property, where he has established a comfortable home for invalids, and pro-vided ample means for their restoration to health. Patients from the country and strangers taken sick in the city can find gentle nursing and appropriate medi-cal attendance. Our treatment in Chronic Diseases consists of Water Electricity, and the most effective medicine and Homeepathy in all Acute and Febrile Diseases, and in all cases our charges will be moderate and to suit the times. tution is located in a field of 17 acres, conaining fine shade trees and pleasant grounds for exere or convalencents. From the house, we have the

finest prespective view of the city, Cumberland river, and surrounding country, afforded in any other part As far as regards our success in practice in the healing art, we will only say we have now been in Nashone year, and our register will show the names of over 150 patients, treated for various diseases, most of them hoples- cases of Chronic Diseases, and 31 of whom were confirmed cases of Cons mption, and out of the whole number of 150 odd cases frestpoless before I saw them, and every one of the rest ave been cured, or at least greatly benefitted.

For the protection of others, we can receive into

his institution no patients having contagious diseases not will attend to such at other places. Family prace attended to as usual.

At all other times I can be found at the Electric Water Cure Though we are opposed to publishing certificates to gnown as the Sims Tract, situated on the Smith Turnshow that we can control diseases supposed to be inurable, we will re-publish the following letter of a Banner, of Dec. 30th, 1860: Ms. EDITOR: Having been afflicted for some months

past, as is known by my many acquaintances, with an attack of paralysis, and having received a benefit so decided from the use of electrical baths, given me by Dr. Westervelt, I have thought it due to those simi-larly situated with myself, to make this publication. I was decidedly convalescent when I began to use the baths, but the benefit derived from them has been so positive that there could be no mistaking the cause. I am now able to use my fingers and my arms, which were entirely helpless, almost, if not quite, as well as I know this notice may inure to the benefit of Dr. W., at least with those who place confidence in in word, but to me it is a matter of much greater inpot word, but to me is is a master time that my triends should know where they can be relieved from the state of helpicssness I was in a short time since.

TAKE pleasure in announcing to my old friends and tomers that after an absence of two years, I have again returned to resume the practice of th PHOTOGRAPHIC ART in all its branches, having pur chased the interest of my brother in the old establi ed Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the suite of Rooms throughout. That my facilities are now better to produce first-class work than most Galleries can boast of, and con-duce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has hereto-fore sustained, but to elevate it to a still higher stand-ard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, 1851 World's Fair in London, in 1851, and I am determine not only to make this the leading Gallery in the State but my work shall not be surpassed North or South and now introduce to the public the following nev

Imperial Phothgraph, India Ink, Vigenette, plain or colored, Ivorytypes, "
Pastel Portal Pictures, life size, Photographs on Canvass, life size,
Visiting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Stereoscopes, on glass or paper,
I still continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in want of anything in my line are solded. anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.
